Dear Gaye,

Re: ATTMA Charity Lotto 2017

The ATTMA is a member based organisation that each year has a charity lotto instead of issuing Christmas cards. The money that would normally have been spent is donated to a registered charity of choice by the winning member.

This year, the winning member was ticket 133, Brian Cunningham from Energy First Services Ltd who chose your charity. We therefore enclose a cheque for £333.00 that will be used to put a smile on poorly children's faces.

Having read about the charity and the stories of the Angels and their families, I see you have a wonderful charity and bring joy to those who need it most. I thank you for being a shining star in a world of dark clouds.

We've posted a copy of this on our website, www.attma.org. Please keep us updated. I hope to be able to continue to fundraise for you.

All the best

Barry Cope
ATTMA Scheme Manager
